

For Me This Is Heaven

Jimmy Eat World

The first star I see may not be a star
We can't do a thing but wait so let's wait
For one more And the time's such clumsy time
Deciding if it's time
I'm careful but not sure how it goes
You can lose yourself in your courage When the time we have now ends,
When the big hand goes round again,
Can you still feel the butterflies?
Can you still hear the last goodnight? And the mindless comfort those
When I'm alone with my big plans
And this is what she said gets her through it
If I don't let myself be happy now then when?
If not now when? When the time we have now ends,
And when the big hand goes round again,
Can you still feel the butterflies?
Can you still hear the last goodnight? I close my eyes and believe
That wherever you are, Angel
For when the time we have now ends
And when the big hand goes round again
Can you still feel the butterflies?
Can you still hear the last goodnight?
