Nice Shoes... Wanna Fuck?

Ed Gein

Advisory - the following lyrics contain explicit language:

Carve another notch in your bedpost, whore
Lay back and tally up the score
Count the number of hearts you've ripped from chests
Then put your pretty eyes to rest
They've had a long day of looking for love
In all the wrong places
Putting too much stock in pretty faces
When will you learn there is a difference
Between lust and love
