Home( About Last Night EP )Came home  
Everything was a blur  
All mixed up and messed up  
Eyes all tired and broken  
Came home  
Everything was a blur  
All mixed up and messed up  
Eyes all tired and broken  
Came home  
Everything was a blurI saw the map  
I've found the map  
It was floating and faded and torn  
The missing pieces they were gone  
This does not make sense  
It's all so incomplete  
It's all so incomplete
