

# Just Older

## Bon Jovi

Hey man it's been a while  
Do you remember me?  
When I hit the streets I was 17  
A little wild a little green  
I've been up and down and in between  
To all these years and miles and memories  
I'm still chasin' dreams  
But I ain't lookin' over my shoulder I like the bed I'm sleepin' in  
Just like me it's broken in  
It's not old, just older  
Like a favorite pair of torn blue jeans  
This skin I'm in it's alright with me  
It's not old, just colder It's good to see your face  
You ain't no worse for wear  
Breathin' that California air  
When you took on the world  
We were young and brave  
We got secrets that we'll take to the grave  
Standing here shoulder to shoulder I like the bed I'm sleepin' in  
Just like me it's broken in  
It's not old, just colder  
Like a favorite pair of torn blue jeans  
This skin I'm in it's alright with me  
It's not old, just colder I'm not old enough, to sing the blues  
But I wore the holes in the soles of these shoes  
You roll the dice, 'til they call your bluff  
But you can't win, until you're not afraid to lose  
Yea! Well I look in the mirror  
I don't hate what I see  
There's a few more lines starin' back at me  
Now the night, has grown a little bit colder  
Hey man, we gotta run  
You take care  
If you see coach T, tell him I've cut my hair  
I've kept my faith, I still believe I'm just I like the bed I'm sleepin' in  
Just like me, it's broken in  
It's not old, just colder  
Like a favorite pair of torn blue jeans  
This skin I'm in it's alright with me

It's not old, just older

Ahh

Ahh yea

It's not old, just
