

No Friend (Radio Edit)

Mavado

Then put money on everything
So lets sell up everything
Then will lied up our team
Be alone no friend,
Be alone no friend,
Does they set me up already? But now they fit a litagain
Done with you the sun will beat again?
Then gonna leave up the street again
Listen to that advice clearly then done it and speak again
Dont you mind, mind man I chose it all
You know I hate to much order
We both scope up zero ...
Watch it new boss scream Soda
Then my time is dead on line
But I dig to that machine
Tang into oder, hands on the lied and ...one zreen
So keep your eyes open on
Watch them and then make all coped up
Ballie afenic, your human I feel that
Yeah you go at school for afine up that
You pull life for all and Im going back
Still that part of going, what fuck that plane
Imma get you and get for they mean while they stuck me here
They drop the hit and got forever
And I want no friend
And I want no friend
Cuz them sell me on that die that fits me again
Then the Juda finely beat again
When you got opon the jit again
Let give you an advice clearly
Im done with this hit again
From give me some, no bout that friend mature it and box it into me
Then ball it, ...this women inside me
Money make that money, make that can be
Wanna make that liquere finger right sweet
Put it on the ...and get it all freak
What they gonna need forever but they never freak it babe
Guys they set me off already but they feel hit again
Tell to you thats how we beat again

Then gonna lead up on the street again
Listen to that advice said clearly
They come to make speed again
And I want no friend
And I want no friend
Cuz them sell me on that die that fits me again
Then the Juda finely beat again
When you got opon the jit again
Listen to that advice said clearly
They come to make speed again
Then put money on everything
So they sell it most everything
Then they lied up
money on everything
Then they lied up
sell it most everything
no want no friend
