Roots (Back To A Way Of Life)

Incognito

Living in a world, where everything demands understanding
We try and find a way, through the places and spaces in the gameWe spend a long time running from ourselves
Before we can discover who we are[Chorus]
Talkin` bout roots
Ah yah, yah
Back to a way of life
RootsAh yah, yah
Talkin` bout roots, back to a way of life
Roots
Ah yah, yah
Back to a way of lifeTake a step inside, your cultural desires await you
We owe it to ourselves to seek the primal spark that caused the flameWe spend a long time running from ourselves
Before we can discover who we are[Chorus]Water is not stronger than the blood[Chorus: x 2]
