

Red Hot Mama (ft. Dr. Arvin Scott)

Widespread Panic

Red hot mama from Louisiana
Thumbin' her way to Savannah
She been cooped up too long Red hot mama lookin' to the city
Taxi dancers and big time spenders
She's been groovin' Red hot mama was gettin' down
Scoping the places where fun to be found
She was smokin' Ride on, red hot mama
Girl, you sure look good to me
Ride on, red hot mama
Girl, you sure look good to me
Ride on, red hot mama
Girl, you sure look good to me
Ride on, red hot mama
Girl, you sure look good to me Red hot mama was really bad
She was badder than bad, bad as she want to be Red hot mama was a real gas
Doin' it good and doing it fast
She was smokin' Ride on, red hot mama
Girl, you sure look good to me
Ride on, red hot mama
Girl, you sure look good to me
Ride on, red hot mama
Girl, you sure look good to me
Ride on, red hot mama
Girl, you sure look good to me
