Grace

Devin Townsend Project

We know that it's only human
We know that it's only love
We know that its far too close to home
To see it nowLove all we can before
We learn all we came for
Learn all we can before
The road leads to homeGrace, grace, grace, graceHigh road warning
High road warningGrace, grace, grace, graceHigh road warning
High road warningLaugh, love, live, learn
Laugh, love, live, learnEternal I, eternal I, eternal I, I, I, IMy child tells me
We are the fallen men
My child tells me
We are the fallen menLaugh, love, live, learn
Laugh, love, live, learnOh my godGrace, grace, grace, graceNever fear love
(High)
Never fear love
(Road)
Never fear love
(Warning)Never fear love
(High)
Never fear love
(Road)
Never fear love
(Warning)We know that it's only human
We know that it's only love
Love, love, love, love, love, love, love
Love all we canI know the way and you know the way
We all fall down if we fear loveNever fear love
Never fear love
Never fear love
(Warning)Never fear love
Never fear love
Never fear love
(Warning)
