Grace

Devin Townsend Project

We know that it's only human
We know that it's only love
We know that its far too close to home
To see it nowLove all we can before
We learn all we came for
Learn all we can before

The road leads to homeGrace, grace, grace, graceHigh road warning High road warningGrace, grace, grace, graceHigh road warning High road warningLaugh, love, live, learn

Laugh, love, live, learnEternal I, eternal I, eternal I, I, I, IMy child tells me

We are the fallen men

My child tells me

We are the fallen menLaugh, love, live, learn
Laugh, love, live, learnOh my godGrace, grace, grace, graceNever fear love
(High)

Never fear love

(Road)

Never fear love

(Warning)Never fear love

(High)

Never fear love

(Road)

Never fear love

(Warning)We know that it's only human

We know that it's only love

Love, love, love, love, love, love

Love all we can know the way and you know the way

We all fall down if we fear loveNever fear love

Never fear love

Never fear love

(Warning)Never fear love

Never fear love

Never fear love

(Warning)
