

# Let Me Fly

DMX

Either let me fly, or give me death  
Let my soul rest, take my breath  
If I don't fly I'mma die anyway, I'mma live on  
But I'll be gone any day Either let me fly, or give me death  
Let my soul rest, take my breath  
If I don't fly I'mma die anyway, I'mma live on  
But I'll be gone any day Hold me down, niggas wanna know me now  
Didn't want to play with me, wanted to show me how  
No meow, 'cause its all about the bark  
Let the dog loose baby it's about to spark  
Light up the night, like the 4th of July  
Niggas know, when I let go, niggas die  
'Cause why? And you don't know you slow like Baltimore  
If you ain't trying to go, you blow  
I soak up all the pain and accept it in silence  
When I let go it's violence 'cause the wildest  
Leaves the dog barking up the tree for the cat  
In the fog but y'all niggas see is the bat  
Flapping away but I'm blind like Stevie  
Niggas don't hear me, still trying to see me  
Stop being greedy, you heard what I said  
Let me go, let me flow on my bed Either let me fly, or give me death  
Let my soul rest, take my breath  
If I don't fly I'mma die anyway, I'mma live on  
But I'll be gone any day Either let me fly, or give me death  
Let my soul rest, take my breath  
If I don't fly I'mma die anyway, I'mma live on  
But I'll be gone any day I sold my soul to the devil, and the price was cheap  
And yo it's cold on this level 'cause it's twice as deep  
But you don't hear me, ignorance is bliss and so on  
Sometimes it's better to be thought dumb  
Shall I go on  
You don't want no real, what the deal is a mystery  
How is it I can live and make history  
If you don't see it, then it wasn't meant for you to see  
If you wasn't born wit' it, then it wasn't meant for you to be  
But you can't blame me for not wantin' to be hound  
Lock down in a cell wit' a soul gettin' dwelled  
This is hell, go get the devil and get me the key

But can't be worst than the curse that was given to me  
It's what I live for, you take away that and I'm gone  
There's a difference between, doin' wrong and being wrong  
And that ain't right  
Let's keep it fair baby  
Put me in the air, and I'll take it there baby (Yes) Either let me fly, or give me death  
Let my soul rest, take my breath  
If I don't fly I'mma die anyway, I'mma live on  
But I'll be gone any day Either let me fly, or give me death  
Let my soul rest, take my breath  
If I don't fly I'mma die anyway, I'mma live on  
But I'll be gone any day I'm a flow regardless because I'm an artist until I'm trapped  
I'ma continue to hit the hardest whether I scrap or rap  
Give me death but you ain't my friend  
I see it in your eyes, you contemplate my end  
You waitin' for that bend in the road, where you were told  
That you would go, when you were old  
And if you died young, it was cold  
So what the dilly, what it was worth  
Think back 26 years, be like what of his birth  
Was a miscarriage and I never existed  
Have I given something that if taken away, you'd of missed it?  
Didn't know, did I persisted?  
It was the call of the wild  
I really say what's in my heart, and you call it a style  
Don't put it in the cage, don't mistreat it  
You say you hunger for knowledge, here it is, eat it  
Another song completed is another thought captured  
Let me do my thing I got it locked wit' this rap shit Either let me fly, or give me death  
Let my soul rest, take my breath  
If I don't fly I'mma die anyway, I'mma live on  
But I'll be gone any day Either let me fly, or give me death  
Let my soul rest, take my breath  
If I don't fly I'mma die anyway, I'mma live on  
But I'll be gone any day Or give me death, uh uh uh, or take my breath  
I'mma die anyway, but I'll be gone any day  
Or give me death, uh uh uh, or take my breath  
I'mma die anyway, but I'll be gone any day
