

# Hey Lolly Lolly

## Leadbelly

Hey lolly lolly lolly  
Hey lolly lolly lolly low

A married man will keep your secret  
A single boy will talk about you

A playin' man will keep your secret  
A quiet man will talk about you

Well, a married man's an easy rider  
A single boy gets all excited

Single boy walks up and down the street  
Married man's in his stockin' feet
