

Where You Are (feat. Niella)

Sanctuary Music

WHERE YOU ARE
BY NIELLA

I wanna stay in your presence God

I wanna live in your presence God

Right where you are

Right where you are

That's where I wanna stay

That's where I wanna stay

Forever

Forever

Right where you are

Right where you are

That's where I wanna stay

At the foot of the cross

Where your blood flows from calvary over me

Where you are

Where you are

That's where I wanna stay

Where you changed my name oh God

Where you changed my name

Where you are

Where you are, that's where I'll be

At your feet

At your feet

Say where you are

Where you are

Where you are, that's where I'll be

In your presence Lord

In your presence Lord

Say where you are

Where you are

Where you are, that's where I'll be

Where the 24 elders

Where they throw off their crowns before you Lord

Where you are
Where you are, that's where I'll be

Where the angels cry holy,holy,holy

Where you are
Where you are (where they surround your throne)
Where you are,(lifting up worship) that's Where I'll be

I wanna stay in your presence God
I wanna live in your presence God
Where you are

Where you are
Where you are, that's where I'll be

Right In your presence, where you changed my life
where you changed my name

Where you are
Where you are, that's where I'll be

When you changed my name oh God, from Saul to Paul
Yeah

Where you are(Where you are)
Where you are, that's where I'll be

When you changed my name oh God
Say

from Saul to Paul (where you are)
Where you are (my life is in your hands,)
Where you are, (everything I have is in your hands)
that's where I'll be

When you changed my name oh God, say

From Saul to Paul (Where you are)

Where you are, that's where I'll be

I wanna live in your presence God
I wanna stay in your presence

Where you are

Where you are(Where you are)
Where you are, that's where I'll be

Say Ohhhh
Oh oh oh oh
Oh oh oh

Where you are(hallelujah)
Where you are, that's where I'll be

Say Ohhhh
Oh oh oh oh
Oh oh oh

Where you are(cmon)
Where you are, that's where I'll be

I wanna stay in your presence God
I wanna live right here, don't let me go

Where you are (don't let me go)
Where you are, that's where I'll be

Forever, forever where you are

Where you are
Where you are, that's where I'll be

Ohhhh
Oh oh oh oh
Oh oh oh

Where you are
Where you are, that's where I'll be

Where you changed my name oh God from Saul to Paul, where you are
Where you are forever I'll be
