

# It Pays to Pray

## Greater Vision

In sorrow I was sinking had all but stopped believing  
Anyone would hear my call  
Lost everything I treasured, grief was beyond measure  
I wondered how far Iâ€™d fall  
In my desperation I called upon my Savior  
â€œLead me to some solid groundâ€•  
Then, underneath the rubble of all my pain and trouble  
Youâ€™ll never believe what I found

Well Iâ€™ve Been To The Bottom  
And Iâ€™ve found at the bottom thereâ€™s a blessed Holy rock  
A place for us to stand away from sinking sand  
Safe in the hand of God  
A foundation that is sure and ever will endure  
To comfort the hurting heart  
Well Iâ€™ve Been To The Bottom  
And Iâ€™ve found at the bottom thereâ€™s a blessed Holy rock

Weâ€™ll if youâ€™re world is crumbling, donâ€™t know what is coming  
You spend your days â€˜a wonderinâ€™ why  
Everything around you seems to work against you  
You question, â€œWill it ever stop?â€•  
Friend, Iâ€™ve seen the bottom. I know just where youâ€™re headinâ€™  
And itâ€™s not where you think  
Believe me when I tell you that God is gonna bless you  
Way beyond your dreams
