Bittersweet Tragedy

Melanie Martinez

Sweet boy
Straight out the movie screen
Candy hearts and chocolate dreamsI met
My prince upon a popcorn bowl
He held my heart then let it goIce-cream
Upon a summer's day
Beginning sweetness never staysMelting
Through the cracks in my hands
I guess I held on far to longI'm done
With your bittersweet, bittersweet tragedy
It's no fun
When I'm sitting all alone
You're right infront of me
And I'm done
With your bittersweet, bittersweet tragedy
It's no fun
When I'm sitting all alone
You're right infront of me (you're right in front of me)You speak
Sour lemonade to me
Your bitter taste won't let me beOne kiss
Was supposed to be so sweet
But I found grapefruit in your teethOld gum
Is all you'll ever be to me
I spit you out and brush my teethMelting
Through the cracks in my hand
I guess I held on far to longI'm done
With your bittersweet, bittersweet tragedy
It's no fun
When I'm sitting all alone
You're right infront of me
And I'm done
With your bittersweet, bittersweet tragedy
It's no fun
When I'm sitting all alone
You're right infront of me (you're right in front of me)Enough of your bittersweet
Your sugar rots my teeth
Clogs up my arteries
Your bittersweet shit is a tragedyI'm done
With your bittersweet, bitter tragedy

It's no fun
When I'm sitting all alone
You're right infront of me
And I'm done
With your bittersweet, bittersweet tragedy
It's no fun
When I'm sitting all alone
(You're right infront of me)
(You're right infront of me)
