

# Up There Far Away

## Joshua's Troop

### Verse

Thereâ€™s a place beyond the sky, and thereâ€™s a place where the saints abide. And thereâ€™s a city where the streets  
paved with gold. And thereâ€™s a homeland where weâ€™ll never grow old.

### Chorus I

Iâ€™m getting ready to leave this place.  
So excited, I can hardly wait.  
Milk and honey flows over there.  
Only wondering will you meet me there\_?  
Do you, do you, do you wanna go? (2Xs)  
Do\_\_o\_\_you\_.....Do you, do you, do you wanna go? (2Xs)

### Chorus II

One of these mornings and it wonâ€™t be long, youâ€™re gonna look for me, and Iâ€™ll be gone to a place in the sky.  
There will be howdie-howdie, never goodbye. I wanna see the Man Who died for me, the One Who came down  
just to set me free. Iâ€™m gonna dwell in the place of the Most High for eternity is where I will go\_\_.

### Bridge (sung after Chorus III also)

You donâ€™t have to worry about me; Iâ€™ll be sitting at my Jesus feet, in the place where Iâ€™ll never grow old,  
streets are paved with gold, and itâ€™s somewhere beyond the stars. Itâ€™s Glory up there far awa-ay, awa-ay, away\_\_.

### Chorus III

One of these mornings and it wonâ€™t be long, youâ€™re gonna look for me, and Iâ€™ll be gone to a place where  
angels run, and I will be singing, singing my song: â€œHoly, Holy, Ho\_ly-yâ€ around the throne. Iâ€™m gonna dwell in the  
place of the Most High for eternity is where I will go\_\_ (harmony).

### Vamp

No more pain up there.  
No more crying far away.  
No more sins up there.  
No more dying far away.  
Iâ€™ve got a Savior up there.  
Glory up there far away.  
Up there far away (6Xs) awa-ay, awa-ay, away\_\_.
