

Superfly Slick

Vengaboys

Big boy, showing of all around the city
Still the same for such a suite thinking you're so bad
Hustlin' girls, handy phone, acting like you're busy
Baby, let me tell you, you're the worst I ever had

Superfly, superfly
Superfly slick dick
Superfly, superfly
Superfly slick dick
Superfly, superfly
Superfly slick dick
Superfly, superfly
Superfly slick dick

Highbrow attitude, really don't impress me
I know where you're coming from, see right through your game

Luxury overdose won't make you possess me
Baby let me tell you, in the end it's all the same

Don't think I'm crying and trying to get
You out of my heart

No need denying that you have been lying
Right from the start

I thought this love would take us to the
Heights of sensuality

But now I know that you're not even half
The man you said you'd be

Don't think I'm crying and trying to get
You out of my heart

No need denying that you have been lying
Right from the start

I thought this love would take us to the
Heights of sensuality

But now I know that you're not even half
The man you said you'd be

Superfly, superfly
Superfly slick dick
Superfly, superfly
Superfly slick dick
Superfly, superfly
Superfly slick dick
Superfly, superfly

Superfly slick dick
Superfly, superfly
Superfly slick dick
Superfly, superfly
Superfly slick dick
