## Kasabian

No one else is here  
And I can't get, since I'm nothing  
No one else gets high  
And I can't sleep cause I got nothing  
Feeling I am lost  
Control to a higher forceMusic is my, my loveNo one else is here  
And I can't get, since I'm nothing  
No one else comes cleanAnd I can't sleep, cause I got nothing  
Feeling I am lost  
Control to a higher forceMusic is my, my loveMusic is my, music is my, music is my
