Counterfeit

Jordan Fisher

Babe I don't want no counterfeit
Shades cover up your eyes
I can't read inside your mind
But I notice all the time you
spend Checking for other guys
Then you look at me surprised{PRE-CHORUS}With all these questions
Where were you
Probably doing the same
things you used to be
Questions got a few
Say the word right now
Say the word right now{CHORUS}Maybe this one be real
You can put it to light
Yeah that's alright
Yeah that's alright
Baby I wanna see you
Shake it to light
Yeah that's alright
Yeah that's alrightBabe I don't want no counterfeit
Only dead presidents
I don't want to lose this bet
But I notice all the nights you're
round Then you go turn around
After they all let you down{PRE-CHORUS}Asking me questions
Where were you?
Probably doing the same
things you used to be
Questions got a few
Say the word right now
Say the word right now{CHORUS}Maybe this one be real
You can put it to light
Yeah that's alright
Yeah that's alright
Baby I wanna see you
Shake it to light
Yeah that's alright
Yeah that's alright
Questions
Where were you?

Probably doing the same
things you used to be
Questions got a few
Say the word right now
Say the word right now
