

# My Dreams Are Getting Better All the Time

[Doris Day](#)

Well, what do you know, he smiled at me in my dreams last night  
My dreams are getting better all the time  
And, what do you know, he smiled at me in a different light  
My dreams are getting better all the time To think that we were strangers a couple of nights ago  
And though it's a dream, I never dreamed he'd ever say hello  
Oh, maybe tonight I'll hold him tight when the moonbeams shine  
My dreams are getting better all the time To think that we were strangers a couple of nights ago  
And though it's a dream, I never dreamed he'd ever say hello  
Oh, maybe tonight I'll hold him tight when the moonbeams shine  
My dreams are getting better all the time
