Scarred

Iced Earth

Darkness calls down to me
Sweat pours from my body like rain
Growing wiser with each touch
A pawn in lucifers game, am I?It attacks me in the black abyss
The entity formless yet full of rage
The mark of the beast my body
Scarring me for eternal lifeChorus:
I brought this all upon myself
Sold my soul to change my life
It's up to me and no one else
The beast in me can't control my lifeBridge:
And so it's begun, the end of me
The seed was sewn now it's growing inside
My fate in control, not mine
He liedChorus
