

Get A Lil' Head

Mack 10

This goes out to all them niggas, that got the ups on these hoes
And that Willy, don't give a mad ass fuck about a bitch
Tell 'em Techniec
Listen up baby, yo I'm talkin' to you
About what your fast ass need to be goin' thru
I see the ho' in you, it ain't hard to go in you
And I be fo' sho' a fool if I invest some dough in you
I gotta show to do so cut straight to the chase
Got five minutes, get in it, nuts straight to ya face
In case you lost all your morals
I know more hoes that specialise in oral
I like that, sleep good on the flight back, spread the word
The first night back that's on the Beach
Outta town, I met a freak with chips, made a nigga bust like Keith
Mo' head the better while I go head for the cheddar
Man, I got a bitch bad as Shante Moore
But I don't love that ho', 'cos cash all I got love for
She like to fuck, I like to get my dick sucked
She gave me head while baby stashed her fingers in her butt
I told her, "Baby, if you wanna be my honey
You gotta suck my dick and you gots ta give me money"
She shook her head and she moaned out load
She couldn't answer back, she had my dick in her mouth
Ain't makin' like a pretty bitch gogglin' balls
Especially if the pretty bitch is gogglin' yours
I need a bitch to blow me out like a candle
With lips like Badu and a mouth like Teisha Campbell
Get a lil' head, make a lil' love
Get sucked down tonight, sucked down tonight
Get a lil' head, make a lil' love
Get sucked down tonight, sucked down tonight
Fuckin' for riches, elegant model bitches
My mind's in a right perspective, I keeps it temptin'
She's seen somethin' glistenin' and any ho will copper
Binky from that Hoo Bangin', mobsters eatin' lobsters
Boo sent me a bitch he thought, I couldn't handle
Wanna 4' 5', gettin' head, lookin' like Naomi Campbell
Fiona Folanda, all the way to Gidget
Ain't fuckin' wit' no hoes 'less they makin' over six digits

Check it, that bitch is fine, finest made wine
Let me hit it from behind 'cos I'm down with Mack-Dime
That bitch gave me the sex wit' no flex
Plus that loot was mesmerised off of Binky Mac's row
"Ain't y'all rappers? Don't y'all Hoo Bang?"
Yes, shut your mouth, give up the pootang
I make ya moan and groan
Bitch, look me in my eyes, you gettin' fucked by Boo Kapone
You better shake it, 'til you break it
Jump outcha clothes and get buck-ed naked
I smash, I blast, I left her gash
I pull a train like my name was Joe Flash
Get a lil' head, make a lil' love
Get sucked down tonight, sucked down tonight
Get a lil' head, make a lil' love
Get sucked down tonight, sucked down tonight
See a bitch is a bitch is a ho' is a ho'
And which one of y'all gonna blow Mack 1-0
One bitch said, "Me, I'll hit my knees like a crawler
Mack, I'll suck your dick, I just love a big baller"
I whipped it out she said, "Damn, it's like the neck on a giraffe
I'll spend a hour down south for you to nut in my mouth
I'm a pro at sex, I ride a dick like a Honda
My name is Rhonda, well Rhonda, meet Anaconda
Start suckin' and slurpin' and hummin' when you do me
"I'm a fan of yours, then will you do somethin' to me
I love a thug nigga that a pack a few Glocks
Mack, don't make me blow your socks and kick rocks"
Quiet on the set, bitch, I'll do what I like
Now shut the fuck up and just check my mic
Tramp, don't say shit to ya, fuck my whole crew
'Cos a ho' ain't a ho' 'til she's ran all thru
Get a lil' head, make a lil' love
Get sucked down tonight, sucked down tonight
Get a lil' head, make a lil' love
Get sucked down tonight, sucked down tonight
You're gonna suck Big Spike dick, you gon' suck Wave's dick
Eh, Carlos, you want your dick sucked, nigga?
Yo, hehah, you gonna suck The Roadawgs dick
You gonna suck The Comrades dick
Bitch, you gonna suck Scoop dick
You gonna suck Growlski dick
You gonna suck Techniec dick
Yo, you gonna suck Gump dick
And your daughter gonna suck Lil' Mac dick, bitch

Or kick rocks, now what's happenin?
Okay, wait a minute, let me get some water first
My mouth is kinda dry
