Napile se ulice

Bijelo Dugme

Lilly of the valley, let your sweet aroma fill my life
Rose of Sharon show me, how to grow in beauty in God's sight
Fairest of ten thousand, make me a reflection of your light
Daystar shine down on me, let your love shine through me in the nightLead me Lord I'll follow, anywhere you open up the door
Let your words speak to me, show me what I've never seen before
Lord I long to be your witness, cause you can take what's wrong and make it right
Daystar shine down on me, let your love shine through me in the nightLord I see a world that's dying, wounded by the master of deceit
Grouping in the darkness, haunted by the years of past defeats.
But when I see you standing near me Lord, shining with compassion in your eyes
I pray, Jesus shine down on me, let your love shine through me in the nightOh Yes
Lead me Lord I'll follow, anywhere you open up the door
Let your words speak to me, show me what I've never seen before
Lord I long to be your witness, cause you can take what's wrong and make it right, I pray
Daystar shine down on me, let your love shine through me in the nightYes, Daystar shine down on me, oh, oh, yes Daystar shine down on me oh, oh,
Jesus shine down on me, let your love shine through me in the night (repeat 2 times)
