

Lie Down (a Modern Love Song)

Whitesnake

You got the smile of a Mona Lisa,
know it all an' giving nothing away
you make the sins of a vestal virgin,
look nothing more that a roll in the hay.

So lie down, i think I love you,
lie down, I think I care.

Lie down, I think I love you,
lie down, I think I care.

You give an air of the Dolce Vita,
society's made a queen out of you.
Casanova couldn't take all your virtue
but rock'n'roll is gonna steal it from you.

So lie down, I think I love you,
lie down, I think I care.

Lie down, I think I love you,
lie down, I think I care.

Come on, girl, it'll be alright,
easy does it nice and slow.

Woah, you know, m am a, that tonight's the night,
come on and let your feelings show.

Take a look in the mirror,
tell me what you see.

If it ain't sweet surrender
you can blame it on somebody, not the devil in me.

So lie down, I think I love you,
lie down, I think I care.

Lie down, I think I love you,
lie down, I think I care.

Take a look in the mirror,
tell me what you see.

If it ain't sweet surrender
you can blame it on somebody, not the devil in me.

Lie down, I think I love you,
lie down, I think I care.

Lie down, I think I love you,
lie down, I think I care.

Lie down, I think I love you,
lie down, I think I care.

Lie down, I think I love you,

lie down, I think I care.
