Elisir

Gigi D'Agostino

Love
Love for me
Is love
Love for me
I call your name
I keep on looking for you
And I don't know
Don't know where go whereCan set over night
I keep so over me
There is no way
The way to stop me fallingBelieve in me
I can set you free a night
You never Elisir enoughOh, no
Something's thinking over meYour love
Your love
Your love is on my mindYour love is for me
