

The Villain of This Story

Machinae Supremacy

Where I was, not one to follow
You gave me something
I did not believe
was ever meant for me
Oh my god, I am grateful, you know that
But I have nothing
to give in return for this
My life for what?
What else was I good for? You know me,
I can't be redeemed
What do you want from me?
You took me out of play and now
you choose to free me again?
I have no cause
I don't believe
I kill, that's all I know
I am the villain of this story, what else could I ever be? My penance weaved into this conflict,
this hidden war
I can't believe
you gave me back
what I thought for sure lost But I don't see what I can do here
What is it you want me to be for you?
My life for what?
What else was I good for? Even though I can't feel what you feel
I understand, and we move forward
Better than alone Yeah, I am I'm so much better by your side
than lost in night I have my own reasons
but I'll believe for you You know me,
I can't be redeemed
What do you want from me?
You took me out of play and now
you choose to free me again?
I have no cause
I don't believe
I kill, that's all I know
I am the villain of this story, what else could I ever be? You know me,
I can't be redeemed
What do you want from me?
You took me out of play and now

you choose to free me again?
I have no cause
I don't believe
I kill, that's all I know
I am the villain of this story, what else could I ever be? You know me,
I can't be redeemed
What do you want from me?
You took me out of play and now
you choose to free me again?
I have no cause
I don't believe
I kill, that's all I know
I am the villain of this story, what else could I ever be? You know me,
I can't be redeemed
What do you want from me?
You took me out of play and now
you choose to free me again?
I have no cause
I don't believe
I kill, that's all I know
I am the villain of this story, what else could I ever be?
