

# Family Affair (Re-Recorded)

## Sly Stone

It's a family affair  
It's a family affair  
It's a family affair  
It's a family affair  
It's a family affairOne child grows up to be  
Somebody that just loves to learn  
And another child grows up to be  
Somebody you'd just love to burn  
Mom loves the both of them  
You see, it's in the blood  
Both kids are good to Mom  
Blood's thicker than the mudIt's a family affair  
(It's a family affair)  
It's a family affair  
(It's a family affair)  
Over there, over thereNewlywed a year ago  
But you're still checking each other out, hey  
Nobody wants to blow  
Nobody wants to be left out, uh-huhYou can't leave 'cause your heart is there  
But, sure, you can't stay 'cause you been somewhere else  
You can't cry 'cause you'll look broke down  
But you're cryin' anyway 'cause you're all broke downIt's a family affair  
(It's a family affair)  
It's a family affair  
(It's a family affair)  
Oh, hey, a family affair  
(It's a family affair)  
Ow  
(It's a family affair)(It's a family affair)  
Oh  
(It's a family affair)  
(It's a family affair)  
It's a family affair  
(It's a family affair)  
Well  
Do-do-do-do  
Hey-hey-hey  
(It's a family affair)  
(It's a family affair)
