

Bling

The Killers

When I offer you survival
You say it's hard enough to live
It's not so bad, it's not so bad
How do you know that you're right? I awoke on the roadside
In the land of the free ride
And I can't pull it any longer
The sun is beating down my neck So I ran with the devil
Left a trail of excuses
Like a stone on the water
The elements decide my fate
Watch it go
(Bling) When I offer you survival
You say it's hard enough to live
Don't tell me that it's over
Stand up for a Tiber more than this How do you know that you're right?
If you're not nervous anymore
It's not so bad, it's not so bad I feel my vision slipping in and out of focus
But I'm pushing on for that horizon
I'm pushing on
Now I've got that blowing wind against my face So you sling rocks at the rip tide
Am I wrong or am I right?
I hit the bottom with a 'huh!'
Quite strange
I get my glory in the desert rain
Watch it go
(I offer you survival!) When I offer you survival
You say it's hard enough to live
And I'll tell you when it's over
Shut up for a Tiber more than this How do you know that you're right?
If you're not nervous anymore
It's not so bad, it's not so bad Higher and higher
We're gonna take it
Down to the wire
We're gonna make it
Out of the fire
Higher and higher Higher and higher
We're gonna take it
Down to the wire
We're gonna make it

Out of the fire
Higher and higherHigher and higher
We're gonna take it
Down to the wire
We're gonna make it out
Whoa, oh, oh, higher and higherIt ain't hard to hold
When it shines like gold
You'll remember me
