little

Veduta

Once there was a little girl
Who lived in a little house
Left there by her little self
Quiet as a little mouse
In her bed across the hall
Awake with the TV on
Lucky me I heard it all
That's my daddy, where's my mom?
Little did you know, little did you care
Little was the man who was never there
It wasn't me, I'm not the one who hurt you
Not the one who didn't love
Not the one who deserted you looking mean
Your little girl gone crazy
You don't owe me anything
I don't need you to save me
I'm not the reason for your misery
So stop taking it out on me
Don't you know what he did to me?
You cry about your broken heart
And I believe it's true
But of all the roles that you make up
Don't apply to you
She was never strong enough
To get up and get out
What she could not see in you
I've got to figure out
Little do you know, little do you care
Little is the man who just won't play fair
He wasn't me, I'm not the one who hurt you
Not the one who didn't love
Not the one who deserted you looking mean
Your little girl gone crazy
You don't owe me anything
I don't need you to save me
I'm not the reason for your misery
So stop taking it out on me
Whatever they did to you
I'm sure it was bad

But dad can't you see
It wasn't me, I'm not the one who hurt you
Not the one who didn't love
Not the one who deserted you looking mean
Your little girl gone crazy
You don't owe me anything
I don't need you to save me
It wasn't me, I'm not the one who hurt you
No, no, no, no and looking mean
Your little girl gone crazy
You don't owe me anything
I don't need you to save me
I'm not the reason for your misery
So stop taking it out on me
