D.I.Y.

The Murder Disco Experience

A new revolution
The ultimate war
KMFDM is back for more
Twice the mayhem
Triple the force
Ten times the action
Total hardcore
Shanghai, Stockholm, Berlin, Tel Aviv
The world rotates to the Ultra Heavy Beat
From the gutter to the top
KMFDM will never stop
Violence, anger and anarchy
A megaton load of toxic debris
Money, power, all you can eat
The manifestation of ultimate greed
Tokyo, Moscow, Chicago, Madrid
The world rotates to the Ultra Heavy Beat
From the gutter to the top
KMFDM will never stop
Rip the system, throw it away
No legislation can stand in our way
Anti, anti in the USA
Ends with an M, begins with a K
D.I.Y. destroy what destroys you
D.I.Y. do or die
D.I.Y. destroy what destroys you
D.I.Y.
D.I.Y. destroy what destroys you
Anti, anti in the USA
D.I.Y. destroy what destroys you
Ends with an M, begins with a K
Destroy
