Yours and Mine

Kyle Park

you can give me a million reasons why you love me
i'd just give you a million reasons right back
and i hope you can see how much you mean to me
in this world of mine
'cause baby i ain't lyin.

You can fly to the moon just to prove that you love me
I'd gather up the stars to put 'em in your hands
now what we've got going here
is more than love at first sight
this could last all our life

So what do i say when i can't find the words to describe just how i feel
and what do i say when you don't say a thing
Lord knows i try my best to give you every-thing that i can give
as long as i live.

You could give me a million reasons why you love me
I'd just give you two million reasons right back
there's no stopping two hearts like ours
there's no reason to even try
there's nothing better than this world of yours and mine.
