

Sunshine

The Avalanches

I fell in love for sunshine
From up above, ove, ove
For sunshine
From up above, ove, ove
For, I fell in love Salve, Xang'Ã', meu Rei Senhor
Salve, meu OrixÃ;
Tem sete cores sua cor
Sete dias para gente amar
OrixÃ;
OrixÃ;, orixÃ;
OrixÃ;, orixÃ;
OrixÃ;, orixÃ;
OrixÃ;, orixÃ; Tem sete cores sua cor
I fell in love on a, on a OrixÃ;, orixÃ; Tem sete cores sua cor
Sete dias para gente amar, on a sunny day Then you went away
Turning my blue skies gray
And takin' my sunshine
I fell in love, on a sunny day Sunshine
Sunshine
Sunshine
From up above It's just that I got other stuff on my mind these days Sunshine
Sunshine
Sunshine
