

# Something's Missing

## John Mayer Trio

I'm not alone, I wish I was  
'Cause then I'd know I was down because  
I couldn't find a friend around  
To love me like they do right now, they do right now I'm dizzy from the shopping mall  
I searched for joy but I bought it all  
It doesn't help the hunger pains  
And a thirst I'd have to drown first to ever satiate Something's missing and I don't know how to fix it  
Something's missing and I don't know what it is  
No, I don't know what it is at all When Autumn comes, it doesn't ask  
It just walks in where it left you last  
You never know when it starts  
Until there's fog inside the glass around your summer heart Something's missing and I don't know how to fix it  
Something's missing and I don't know what it is  
No, I don't know what it is at all I can't be sure that this state of mind  
Is not of my own design  
I wish there was an over the counter test  
For loneliness, for loneliness like this Something's missing and I don't know how to fix it  
Something's missing and I don't know what it is  
No, I don't know what it is Something's different and I don't know what it is  
No, I don't know what it is Friends, check  
Money, check  
Well-slept, check  
Opposite sex, check Guitar, check  
Microphone, check  
Messages waiting on me  
When I come home, check How come everything I think I need  
Always comes with batteries?  
What do you think it means?  
How come everything I think I need
