

Solid Gold

Eagles of Death Metal

Sweat, work it out baby
Sweat, make it sweat

You see us comin' and we'll make you scream
We are the stars of your real teen dream
We'll give you shakes and we'll make you sweat
We're really rollin'...
We're solid gold

We're the magic boys & we'll make you smile
Real hard Men'z, why don't chu stay awhile baby
We'll give you shakes and we'll make you sweat
We're really rollin'...
We're solid gold

And when we come, yeah, we sho' do the shine
And when we get there, yes, we're right on time
We'll come dancin' and we'll make you sweat
We're really rollin'
Yes, we're really rollin'

We're the Dream Boys baby and we'll make you smile
Real hard Men'z, won't chu stay awhile baby
We'll come dancin' and we'll make you sweat
We're really rollin'
We're solid gold

We're the Dream Boys baby and we'll make you smile
Real hard Men'z, won't chu stay a while baby
We'll come dancing and we'll make you sweat
We're really rollin'...
We're solid gold.

Nice! It's so hard baby, work it out baby
Sweat
'Cause we'll give you jiggles and make you sweat
Now baby, it's all you really gonna get
We're really rollin'...
We're solid gold
