

Too Late Too Late

Mr Hudson

Why must I always play the clown?

Why must I always play the clown?

Why must I always play the clown?

It makes it too easy for them to put you down

Its too late too late too late too late too late to wash my face and hands

Am too late to get too high to get, too late to wash my face and hands

Fall out the bath fall in the car throw up just pull that window down

Lets ave the beer another beer it's a fine idea my man

Its too late too late too late always to wash your face and hands

Too late to get too high to get, to wash my face and hands

Shes looking good am in the mood step up and try to make her smile try

To make her smile

I need a line this time a chat up kind to steal the deal in time

Why must I always play the clown?

Why must I always play the clown?

Why must I always play the clown?

It makes it too easy for them to put you down

Its too late too late too late too late too late to wash my face and hands

Am too late to get too high to get, too late to wash my hands

I fall up the stairs, fall into bed throw up and pull the window down pull the

Window down

Lets have a line another line now there's a fine idea my man

Its still too late too late too late to wash your face and hands

Its always too late to get get too high to get, too late to wash your face

And hands

Why must I always play the clown?

Why must I always play the clown?

Why must I always play the clown?

It makes it too easy for them to put you down

Too late [x7]

Too late [x7]

Too late [x7] Oooh

Too late [x7]

Too late [x7]

Too late [x7]

Why must I always play the clown?

Always play the clown

Why must I always play the clown?

Why must I always play the clown?
See I always play the clown
Why must I always play the clown?
