Don't You Want Me

Information Society

Listen up childrenYou were workin' as a waitress in a cocktail bar
When I met you
I picked you out, I shook you up, I turned you around
And turned you into someone new
Now five years later on you've got the world at your feet
Success has been so easy for you
But don't forget, it's me who put you where you are now
And I can put you back there tooDon't, don't you want me?
You know I can't believe it when they say that you won't see me
It's much too late to find
You think you've changed your mind
You'd better change it back or we will both be sorry
Don't you want me, baby?
Don't you want me, ohh?
Don't you want me, baby?
Don't you want me, ohh?I was working as a waitress in a cocktail bar
That much is true
But even then I knew I'd find a much better place
Either with or without you
The five years we have had have been such good times
I still love you
But now I think it's time I live my life on my own
I guess it's just what I must doDon't, don't you want me?
You know I can't believe it when they say that you won't see me
Don't, don't you want me?
You know I can't believe it when they say that you don't need me
It's much too late to find
You think you've changed your mind
You'd better change it back or we will both be sorryDon't you want me, baby?
Don't you want me, ohh?
Don't you want me, baby?
Don't you want me, ohh?Don't you want me, baby?
Don't you want me, ohh?
Don't you want me, baby?
Don't you want me, ohh?
Don't you want me, baby?
Don't you want me, ohh?
Don't you want me, baby?
Don't you want me, ohh?
