The Right Way

Ron Pope

Pretty new dress
I just can't take my hands off of you

You look so small wrapped up in my arms
I'm so in love with you

I'm yours if you're mine
Don't waste no more time

I want to live
I want to love you the right way
And I want to fall asleep and then wake up with you beside me
I won't spend the rest of my life running from everything that's right
I want to live

I ripped your dress in the frenzy to get close to your skin
Yes
I did

You tried not to laugh
You stood there in your slip
You said, "Come here to me"

I'm yours if you're mine
Don't waste no more time

'Cause I want to live
I want to love you the right way
And I want to fall asleep and then wake up with you beside me
I won't spend the rest of my life running from everything that's right
I want to live

I'm yours if you're mine
Don't waste no more time

'Cause I want to live
And I want to love you the right way
And I want to fall asleep and then wake up with you beside me
I won't spend the rest of my life running from everything that's right

I want to live

Oh
I want to live
And I want to love you the right way
And I want to fall asleep and then wake up with you beside me
I won't spend the rest of my life running from everything that's right
I want to live

Mmm
Mmm
