## **Words Of Wisdom**

## **Europe**

So many words has passed through my mind Never thought I'd be so blind I wish I could understand you So many things I've heard and seen But still I don't know what you mean When you say, "I'm leaving you" I wish I could remember Everything I've learned I've tried and I've tried to be so good And I know I should Say something before you go 'Cause every time I've done something wrong It's so hard to be strong Gone are the feelings I want to show I wish I could remember Everything I've learned Oh, words of wisdom Oh, teach me more Oh, words of wisdom Oh, so much more Oh, words of wisdom Oh, teach me more Oh, words of wisdom Oh, so much more Oh, words of wisdom Oh, teach me more Oh, words of wisdom Oh, so much more Oh, words of wisdom Oh, teach me more Oh, words of wisdom Oh, so much more Oh, words of wisdom Oh, teach me more Oh, words of wisdom Oh, so much more Oh, words of wisdom Oh, teach me more

Oh, words of wisdom
