Cypress Hill

Once again
We're back
It's the big bad Cypress Hill
You know what time it is
Whoop
Whoop
Whoop
Whoop
Whoop
Legalize it
Cypress Hill will ever die at the end?
Legalize it, (Yeah, Yeah, Yeah)
Cypress Hill never dies
Never dies, never dies
Once Upon
Bugaboo L.I.F.E (Now Here it is)
Why, Why, Why (Bo Bo Bo Bo)
Cypress is still here
We're of those glad MCees
Still Puffin Weed, Weed
Why Diddely Why
Why, Why, Why
Never fucked like this
But I smoke blunts like this
People ask Why you pull stunts like this?
'Cause I believe in doing what I got' a
A lot' a people don't understand nada
The Mic burns
You was at
It turn's to a slaughter
You wanna think about chilling the fuck out
You all gonna Top Allah, Pop collar
Niggas, Latin Thungs
All my family love barillas
Beginners get pushed to back of the pack
Invented and lend out, without not a tech
You're on the top of the game
But you work on a name till one day
To put us in the walk of fame

Don't call a name to recall the fame
Eventually Dru is in the Hall of Fame
You know what the deal is

You know what the heal is
You know who the Real is
You know what my skill is

Once Upon

Bugaboo L.I.F.E (Now Here it is)

Why, Why, Why (Bo Bo Bo Bo)

Cypress is still here

We're of those glad MCees

Still Puffin Weed, Weed

Why Diddely Why

Why, Why, Why

I get mental

This ain't no pad and a pencil

Throw the microphone

My homey get tensed up

I tag the cheque, like I got nothing to lose (That's right)

I test myself, just shut up and proof

That C-Y-P-R-E-S-S

Got you funky, while I'm real deaf

Put it to the sess, and you will confess

Soul Assassins is the best

Check it homeboy, got to spot cracking (crackin)

Six LP, from that ThugDogLatin

Turn the heat up, and keep it hot

Always give ya mo', and then thank

We got to freak the Hip Hop and the hot ride

I'm on to make shows and can't hide

Had first 'self titled', became an Idol

Spanish in a Sub town barrio

Once Upon

Bugaboo L.I.F.E (Now Here it is)

Why, Why, Why (Bo Bo Bo Bo)

Cypress is still here

We're of those glad MCees

Still Puffin Weed, Weed

Why Diddely Why

Why, Why, Why

Now Here it is

Bo Bo Bo Bo
