# Green River

## Rockshop

Take me back down where cool water flows, y'all
Let me remember the things I've done
Walk on the log where the catfish bite
Walking along the river road at night
Barefoot girl, dancin' in the moonlight
I can hear the bullfrog calling me, "Ribbit"
Wonderin' if my rope's still hangin' to the tree
Ole Brody Junior took me over
Said, "You're gonna find a well that's colder

If I'm a bad boss, give some O'Green river", well
Take me back down where cool water flows, y'all
Let me remember the things I've done
Walk on the log where the catfish bite
Walking along the river road at night
Barefoot girl, dancin' in the moonlight
Well
