

# Nothing

## Waterdown

I wonder how to make it clear  
What all of this means to me  
The friends I made, the things I've seen  
To you this means nothing Nothing feels alright  
Nothing I do feels right  
Nothing feels alright  
Nothing I do feels right All you care about is you  
Everything you call an achievement  
So go and get what you to need  
The last change to feel free Nothing feels alright  
Nothing I do feels right  
Nothing feels alright  
Nothing I do feels right Nothing feels alright  
Nothing I do feels right  
Nothing feels alright  
Nothing feels alright Nothing I do feels right  
Nothing feels alright  
Nothing I do feels right  
Nothing feels alright  
Nothing I do feels right
