# Show 'Em the Ropes

## A Day to Remember

Just hold your breath,
To make sure you won't wake up again.
Cause you ruined my 04,
That's the best that I could hope for,
To watch you fall apart from the inside.
We're gonna spread it to the world
To the world
About how you lied.
How you lied

A free lesson on growing up,
Never trust anyone to the point,
Where your backs exposed.
Every person I've ever known was a fake
and you'll see your closest ones go first.
Who needs enemies you've got friends.

I'm a gentleman and you're a liar,
I expect the best of you but it's so hard
But it's so hard
[x2]

Let's start over.
When we reach the top we'll watch you bury yourself.
This wasn't easy.
It wasn't easy
[x2]

A free lesson on growing up.
Make the best of their worst
And never compromise what you feel is right.
I make a point to be powerful when I speak.
Be the one that gives them nightmares when they sleep.
Never back down from anyone.

I'm a gentleman and you're a liar.
I expect the best of you but it's so hard.
But it's so hard
[x2]

Let's start over.
When we reach the top we'll watch you bury yourself.
This wasn't easy.
It wasn't easy
[x2]

I watched the weight of your world
Cave in to crush you.
[x4]
