

# Sucker for Love

## Erasure

I'm a sucker for love  
Oh, that's artificial  
Sometimes below  
The belt I hit youFor without love  
Hell freezes over  
And wherever you go searching  
Know I'll want someAnd give me back my calling cards and vices  
My dignity and romance novels tooThe love we have  
Is for the better now  
The love we have  
Is for the better nowThe love we have  
Is for the better now  
The love we have  
Is for the better nowIf you wanna know the truth  
I'm feeling open ended  
For without love  
I'm not tremendousThe world we share  
It's not pretending  
And whenever you go A.W.O.L  
I'll be thereGive me back the photographs I sent you  
My residence and cool emotion tooThe love we have  
Is for the better now  
The love we have  
Is for the better nowThe love we have  
Is for the better now  
The love we have  
Is for the better nowYou gotta ride  
Ride, ride, ride, rideThe love we have  
Is for the better now  
The love we have  
Is for the better nowThe love we have  
Is for the better now  
The love we have  
Is for the better nowThe love we have  
Is for the better now  
The love we have  
Is for the better nowThe love we have  
Is for the better now  
The love we have

Is for the better now
