

Wanna Be Your Lover

Joe

I'm feenin' for you girl, I got it bad
You turn me on when you walk like that
For heaven sake
Your body is perfect in every place
Think God broke the mold when he made
The most beautiful girl that I have ever faced
I wanna give you lovin' all day
Then give it to you all night When you call, just say J
Ya burnin' for lovin'
I'll heat it up just like a oven
I won't stop, stop, stop, 'til your screamin' out
That I'm all that you need
'cause I, wanna be your, wanna be your, wanna be your lover
And I, wanna be your, wanna be your, wanna be your lover Now when comes to love
I'm qualified experienced
I'll be your guide
I aim to please
That's what I'll do
I make it happen all night
Take a trip
If you like
Have the time of you're life
I'm trying to show
Pretty thing with me
You're gonna find ecstasy (baby)
If you get with me baby When you call, just say J
I'm burnin' for lovin'
I'll heat it up just like a oven
I won't stop, stop, stop, 'til your screamin' out
That I'm all that you need
'cause I, wanna be your, wanna be your, wanna be your lover
And I, wanna be your, wanna be your, wanna be your lover
