

Runaway Train

Alterra

Runaway Train

Verse 1:

I'm back again
And I'm feelin' brave
I'm afraid my lifestyle's gonna
Put me in an early grave

Pre Chorus:

I'm trying to find out who I am
And I'm doing the best that I can
This train's a runaway

Chorus:

We're on a Runaway Train tonight
and yet we're doing just fine
a Runaway Train
We take it day by day, yeah
We're on a Runaway Train tonight
and yet we're doing just fine
a Runaway Train
We take it day by day, yeah

Verse 2:

I'm back again
And I feel alright
I just keep on thinking that I fucked it up tonight

Pre Chorus:

I'm trying to find out who I am
And I'm doing the best that I can
This train's a runaway

Chorus:

We're on a Runaway Train tonight
and yet we're doing just fine
a Runaway Train
We take it day by day, yeah
We're on a Runaway Train tonight
and yet we're doing just fine

a Runaway Train
We take it day by day, yeah

Verse 3:

Iâ€™m trying to find out who I am!
And Iâ€™m doing the best that I can
This trainâ€™s moving forward
Donâ€™t let me throw the towel in
And Iâ€™m doing the best that I can!
