

Sand

28 Days

The sand is sifting by
I only know that I will die
And pay my taxes
The rest is touch and goWish I could just catch a glimpse
Of what's in store, I've wanted since
I can't recall, I never know what to do
Never had a clueI feel the future
Don't tell me that you don't
Feel it slip away, slip away
Feel it slip awayThe sand is sifting by
I only know that I will die
And pay my taxes
The rest is touch and goWish I could just catch a glimpse
Of what's in store, I've wanted since
I can't recall, I never know what to do
Never had a clueI feel the future
Don't tell me that you don't
Feel it slip away, slip awayI feel the future
Don't tell me that you don't
Feel it slip away, feel it slip awayI feel the future
Don't tell me that you don't
Feel it slip away, feel it slip awayThe sand is sifting by
I only know that I will die
And pay my taxes
The rest is touch and goWish I could just catch a glimpse
Of what's in store, I've wanted since
I can't recall, never know what to do
Never had a clue
