

# Exclusive [No Excuses] (Live Finale Ballad)

## Day26

[Willie]

Life is such a crazy thing  
It's never really what it seems  
Cause first we were chillin  
Now I'm catchin feelins  
Can you tell me what this means  
I'm going through my voicemail  
And I'm saving every message you sent  
I'm tryna reading between the lines  
To see if there was somethin' I missed[Q]  
All of a sudden, my vision became so clear.  
Everything I needed was right here,  
Before me (before me)  
So pressed to let you know  
Just how you make me feel  
Never had a feeling thats so real  
Control me (and i'm ready, girl I'm ready)[Chorus]  
Don't wanna play no games,  
I want you exclusive,  
Baby, we should just do this,  
with the feeling's so strong,  
how can we go wrong  
No games, I want you exclusive  
theres no more excuses  
the feelings so right  
I want you girl, I need you girl[Brian A.]  
I really love your company,  
Hate it when you gotta leave  
another oppurtunity,  
for me to say everything.  
So tell me if i'm buggin,  
when you look at me like that (like that).  
I wanna say something,  
but I dont know how your gonna react.[Robert]  
All of a sudden, my vision became so clear.  
Everything I needed was right here,  
before me (before me)  
So pressed to let you know  
just how you make me feel

never had a feeling thats so real  
control me. (and i'm ready, girl I'm ready)[Chorus]  
Don't wanna play no games,  
I want you exclusive,  
Baby, we should just do this,  
With the feeling's so strong (strong)  
How can we go on?  
No games, I want you exclusive  
Theres no more excuses (no more excuses)  
The feelings so right  
I want you girl, I need you girl[Hook]  
You knew it all along,  
What was going wrong,  
Let me state my claim  
Before its too late  
I dont care how this may sound,  
But you need to know right now  
So I might as well just come on out and tell ya[Mike]  
All of a sudden, my vision became so clear  
Everything I needed was right here,  
Before me (before me)  
So pressed to let you know  
Just how you make me feel  
Never had a feeling thats so real  
Control me (and i'm ready, girl I'm ready)[Chorus]  
Don't wanna play no games,  
I want you exclusive (exclusive)  
Baby, we should just do this (baby lets do this)  
With the feeling's so strong (so strong)  
How can we go on (Go on)  
No games, I want you exclusive  
Theres no more excuses (no more excuses) (ohh baby)  
The feelings so right (So right)  
I want you girl, I need you girl[Chorus]
