

# You're a God

## INVOICE

I've gotta be honest, I think you know  
We're covered in lies and that's okay  
And there's somewhere beyond this, I know  
But I hope I can find the words to say  
    Never again, no  
    No, never again  
    'Cause you're a god  
    And I am not  
    And I just thought  
    That you would know  
    You're a god  
    And I am not  
    And I just thought  
    I'd let you go  
But I've been unable to put you down  
I'm still learning things I ought to know by now  
    It's under the table, so  
And I need something more to show, somehow  
    So, never again, no  
    No, never again  
    'Cause you're a god  
    And I am not  
    And I just thought  
    That you would know  
    You're a god  
  
    And I am not  
    And I just thought  
    I'd let you go  
I've gotta be honest, I think you know  
We're covered in lies and that's okay  
And there's somewhere beyond this, I know  
    I hope I can find the words to say  
    Never again, no  
    No, never again  
    'Cause you're a god  
    And I am not  
    And I just thought  
    That you would know

You're a god  
And I am not  
And I just thought  
I'd let you go  
You're a god  
(Oh, and I am not)  
I just thought that you would know  
(Oh, I thought that you would know)  
You're a god  
(Oh, and I am not)  
I just thought  
I'd let you go
