

Sometimes

Advisory - the following lyrics contain explicit language:

This is a song that makes me
Spill out all my guts, sometimes Sometimes, I wish I wasn't me
Sometimes, I wish I was drug free
Sometimes, wish I saw the exit sign first
Sometimes, wish I knew the truth without search Sometimes, I wish I could go where I never been
See what I never saw, do what I never did
Or walk before I could crawl Sometimes, I wish my eyes wasn't so red
Sometimes, I wish I had breakfast in bed
Sometimes, I mean it's worth it
Since I did all the work last night Sometimes, you ain't good to me, yes
I am good to you and you don't see my attention
The way that I do Sometimes, hey Slim, you should be nicer than you are
Sometimes, you take that complaining shit way too far
I mean, I thought it was cute in the beginning but now
I think you only do it 'cuz you know I hate it Sometimes, you got me wishing I didn't have home training
Sometimes, then it wouldn't hurt me so bad
With dreams of knocking you in your head
Then it wouldn't hurt me so bad, with our kitchen knife put up your ass Sometimes, wish I knew life with no
pain, yeah
Wish I held the keys to this game
Sometimes, I pretend 'cuz I'm afraid to be, 'friad to be
Sometimes, I hope I live to see twenty five
Sometimes, I wish I could be like Moses
Round up my people, move out the ghetto and live a better life Sometimes, I wish I didn't try so hard
Sometimes, who knows truth any way
They don't know nothing, who needs that approval The sun in your hands player
Move at your own pace, listen to your own mind
Do your own thing, yeah, yeah
I'm saying it because I love ya
And I wanna grow with you, yeah, yeah But you wanna run in the other direction
So I got to stay on my path until I win, I win, I win, I win
I wanna win, I wanna win, I wanna win, I wanna win Sometimes, sing it with me I wish

I wish in love and I wish, oh I wish
I wish in peace, oh sometimes
I wish in hope, I wish hope I wish true, I wish true
I wish clearly, hey I wish so clearly sometimes
Wish with no fear, I wish with no fear
I have no fear, I have no fear Have no doubt I have no doubt
I don't doubt I don't doubt
Have no doubt no, I don't doubt
Have no doubt, I wish love
I wish love, hey, hey Oh some, sometimes
Sometimes, sometimes
