

Mary Jane (Paul Lani Mix)

Megadeth

Forgive me father for I have sinned
I'm a child of the air, I'm a witch of the wind
And I'm still awake
Mary Jane From the earth up through the trees
I can hear her calling me
Her voice rides on the breeze
Oh, it's haunting me No, can't get away
No, there's no escape
If I know, I'm going crazy
I must not be insane Beware my friends, as you pass by
As you are now so once was I
As I am now so you must be
Prepare my friends to follow me Forgive me father for I have sinned
I'm a child of the air, I'm a witch of the wind
Fingers gripped 'round my brain
No control, my mind is lame I'm in the astral plane
And I'll never be the same
Never, never, never, never, never, never
Never, never, never Beware my friends, as you pass by
As you are now so once was I
As I am now so you must be
Prepare my friends to follow me It hurts so bad
I can't breathe
Prepare to follow me
