

# Enter Sandman (Optimized For Quality)

## Metallica

Say your prayers little one  
Don't forget my son  
To include everyone I tuck you in, warm within  
Keep you free from sin  
'Til the sandman he comes Sleep with one eye open  
Gripping your pillow tight Exit light  
Enter night  
Take my hand  
We're off to never-never land Something's wrong, shut the light  
Heavy thoughts tonight  
And they aren't of Snow White Dreams of war, dreams of liars  
Dreams of dragon's fire  
And of things that will bite, yeah Sleep with one eye open  
Gripping your pillow tight Exit light  
Enter night  
Take my hand  
We're off to never-never land Now I lay me down to sleep  
Now I lay me down to sleep  
Pray the lord my soul to keep  
Pray the lord my soul to keep If I die before I wake  
If I die before I wake  
Pray the lord my soul to take  
Pray the lord my soul to take Hush little baby don't say a word  
And never mind that noise you heard  
It's just the beasts under your bed  
In your closet in your head Exit light  
Enter night  
Grain of sand Exit light  
Enter night  
Take my hand  
We're off to never-never land Boom  
! Yeah yeah! We're off to never-never land  
Take my hand  
We're off to never-never land  
Take my hand We're off to never-never land  
We're off to never-never land  
We're off to never-never land
